International gaming domain portfolio

Private digital asset acquisition

One portfolio.
One acquisition.

212 candidate domain registrations across seven market and thematic groups, plus separate brand review.

The offering

A proposed consolidated transfer of domain registration rights.

212
Candidate registrations

287
Total source registrations

6
Geographic clusters

The offering excludes unrelated real estate and publishing assets. Final scope is subject to legal review, buyer diligence and agreement.

Portfolio composition

Candidate classification based on domain strings; not a statement of operating rights.

harrahs7stars.com

harrahscherokeegambling.com

harrahscherokeehotel.com

harrahsdiamondclub.com

onlinegamblingharrahscherokee.com

All names subject to transfer eligibility and intellectual property review.

Transaction framework

Private negotiated asset sale; consideration by proposal.

01 Confirm final inventory and seller authority
02 Independent trademark and regulatory review
03 Agree purchase terms and exclusions
04 Execute through independent escrow
05 Transfer eligible registrations and verify receipt

Due diligence & limitations

Domain registrations only.

No gaming license, operating business, trademark rights, traffic, revenue or search-ranking guarantees are included.

Geographic and tribal references do not establish affiliation or authorization. Brand-sensitive and typo variants require separate review.

GoDaddy reported active status at export; current ownership, renewal costs and transfer restrictions require verification.

Private acquisition inquiries

White Feather Domain & Data Holdings

Complete candidate inventory follows.

Final scope and purchase consideration by mutual agreement.

Seller contact details to be supplied before external distribution.
